A SUBSTITUTE
FOR
OIL PAINT
AND
WHITEWASH.

AN EXCELLENT
FIRE
RETARDANT
AND
DISINFECTANT.

Especially Designed
For INSIDE Work on
Factories and Public Buildings.

It is a dry powder which can be prepared for use by simply stirring in COLD WATER and can be applied by anyone and will always produce good work.

It is VERY WHITE, extremely reflective and hardens on a wall like stone and will take any tint.

It will last for years, and is unaffected by gases.

One coat covers better than two coats of oil paint or whitewash.

It can be used on any surface and for all classes of work, even for the finest decorating.

It will not rub, scale or crack, nor will it soften with age or discolor.

It will not set in the mixing vessel, in fact it improves by standing a few days.

It can be used to good advantage over old whitewash without scraping.

IT DRIES OUT WHITE AFTER BEING WET.

It is cheaper than whitewash, durability considered.

It is supplied in barrels from 300 to 400 lbs., also in boxes of 100, 50 and 25 pounds.

Once I Was Blind But Now I Can See

Thanks to Hood's Sarsaparilla.

C. I. Hood & Co., Lowell, Mass.

"I have suffered everything possible with sore eyes and headache, the sores so severe that I was blind. I tried everything I heard of without benefit, and went to the Rhode Island Hospital, but found no relief there. A friend told me of Hood's Sarsaparilla, so I bought a bottle and a box of Hood's Pills.

With More Than Thanks I want everybody to know that since I have been taking these medicines, I have become as well as ever. My eyes have perfectly healed and the headache is cured. From my picture you can see there is nothing the matter with my eyes now." Mrs. ELIZA LOGREE, Potter Hill, Westerly, R. I.

A chance to get a

PAIR OF SHOES

—FOR—

Ten Minutes' Work!

The question among the business men of Honolulu is:

DOES
ADVERTISING
PAY?

To solve the problem as well as to ascertain whether advertisements attract the attention of newspaper readers, we offer a pair of our best \$5.00 shoes (\$6.50 anywhere else) to the person who sends us, under the head of "Wanted," the cleverest advertisement of our shoes. It must be original, concise, and to the point. It must not be longer than any ordinary want ad. found in the daily papers.

Advertisement to be written on one side of white paper and signed by the competitor's full name and address. State the name of the paper in which you saw this notice and enclose your effort in an envelope marked:

McInerney's Shoe Store,

Honolulu.

THE VERLEYE COLLECTION.

Rare Bits of Satsuma—Valuable
Bronzes and Carvings.

The Verleye collection to be sold at auction to-morrow is, perhaps, the finest assortment of bronzes bric a brac and carvings ever offered for sale in Honolulu.

It represents almost a life work of Mons. Verleye in all quarters of the globe and each article has a story connected with it, which, if it could be told would be interesting. Among the bronzes are two handsome vases standing about eighteen inches high. These were made in Tokio especially for a Japanese prince and are of exceptional value owing to their unique design and fine workmanship. The Satsuma ware was personally selected by Mons. Verleye while a resident of Japan and has been pronounced by connoisseurs to be rare bits. The Satsuma is valuable from the fact that it is antique and grows in value from year to year the same as old lace. A Satsuma punchbowl is a marvel of delicate decoration. These pieces vary in size from a few inches to two feet in height. Japanese screens and carved pieces adorn the walls of the house. Some of them are rich in coloring and effects.

Perhaps among the useful articles to be sold, the China will attract the most attention. It comprises the handiwork of the best Chinese and Japanese artists in decorations. There is one set particularly handsome owing to the delicate colorings and lightness of texture. Among the French pieces is a handsome Sevres set for which Mons. Verleye was offered in Paris five hundred francs. It is doubtful if the equal of this little tea set has ever been shown in the islands even when monarchs held sway.

In the dining room a handsomely carved black oak set of furniture, consisting of table, chairs, sideboard and butler's table are shown. This is exceptionally rich. Two chased tea caddies of peculiar design are also shown in the dining room. The Chinese parlor sets in carved ebony with mother of pearl inlaid decorations are gems in their way. Another parlor set is the one made after the famous Genre Aubisson pattern. This is exceedingly rich without having any of the gaudy effects in certain styles of upholstery. The material is absolutely moth proof.

Collectors of rare bits of furniture or bric a brac will have an exceptional opportunity to add to their treasures when Mr. Levey starts this sale to-morrow.

A Remarkable Cure for Rheumatism.

WESTMINSTER, Cal., March 21, 1894.—Some time ago, on awakening one morning, I found that I had rheumatism in my knee so badly that as I remarked to my wife, it would be impossible for me to attend to business that day. Remembering that I had some of Chamberlain's Pain Balm in my store I sent for a bottle, and rubbed the afflicted parts thoroughly with it, according to directions, and within an hour I was completely relieved. One application had done the business. It is the best liniment on the market, and I sell it under a positive guarantee. R. T. HARRIS. For sale by all dealers.
